Motorola Rental Radios

Thunderbolt Systems has increased our radio rental inventory to 1000 Motorola HT-1000 hand-held radios covering commercial UHF and 800Mhz frequencies

We can also program radios to operate with many existing radio systems.

- UHF Radios
- 800MHz Radios
- Single & Bank Battery Chargers
- Repeaters
- Antenna Systems
- Touring Packages
- Special Event Packages
- Experienced Radio Technicians
- Custom Programming to Augment Your Private System
- Systems Designs
- Parts

The Motorola HT 1000 portable series offers you small, rugged, economically packaged radios loaded with features never before offered in a Motorola HT portable product.

In addition to the size, durability, and affordability advantages the HT 1000 radio offers, it also includes programmable function controls and radio-to-radio cloning for increased user flexibility.

Of course, the HT 1000 radio family incorporates the quality and reliability you have come to expect from Motorola—the leader in FM two-way radio communications.
